

Healthy Together Challenge

Celebrate Social Wellness Month with a fitness challenge designed to bring people together (even while apart)! For 3-4 days a week, invite a friend to join you for some fun dancing, HIIT (high intensity interval training) and yoga workouts led by our high-energy instructors. The remaining days include friendly reminders and prompts to nurture ourselves, our relationships, and build a stronger, healthier community. Don't forget to share your progress with us on social media @Wellbeats #WellbeatsForAll.
